

CARRAIG SAFETY CONSULTANTS LTD.

Equality Statement

Carraig Safety Consultants Ltd is committed to providing equal opportunity for all who enrol or apply to enrol as learners on our programmes. We endeavour to deliver our programmes in a manner that creates an environment in which diversity is accommodated and valued, discrimination and harassment is combated and equal opportunity is promoted.

We promote equality of access, opportunity and participation. We ensure, insofar as possible, that we operate in an inclusive learning environment that is free from harassment or bullying and which meets the diverse needs of our learners and applicants. In particular we aim to accommodate the needs of learners who may be at risk of being discriminated against and we accommodate learners with disabilities wherever possible

We do this in accordance with the Employment Equality and Equal Status Legislation Acts 1998 & 2004.
